February 2, 2019

Dear Grand Masters, Masters, Instructors, Referees, Coaches, Athletes, Families & Volunteers,

On behalf of the CUTA organization, I would like to welcome you to the 2019 CUTA State Championship, State Team Trials and USAT National Qualifier.

Thanks to your support, we had a very exciting and successful 2018. Some highlights:

- BiNationals, Baja Mexico: State Cadet Team (ages 12-14) & Junior Team ages (15-17)
- French Taekwondo Open, Paris France: State Senior Team (18 and Over)
- Israel TKD Open, Tel Aviv: State Senior Team (18 and over)

CUTA athletes not only gained valuable international competition experiences, but also gained greater understanding and appreciation for history and culture of the host countries. All these events were made possible by a great team work of CUTA BOD, our event manager Master Elvis Chavez and our CA State Team Coaches who volunteered their time to work with our athletes throughout the year at various CUTA events.

2019 CUTA Event Highlights:

- We kicked the year off with Allstate Rumble, Western Regional High School Competition and Poomsae Development Seminar all on the same day capped by a North vs South Laser Tag.
- CUTA Team trips (TBD)
- CUTA Member Training Trip to Korea (July 10 -24) visit www.catkd.org for information.
- CUTA Referee Development Program to develop and assist those interested in becoming State and National Referees.
- Alliance with US National High School Taekwondo to develop high school Taekwondo programs in California.
- We will continue to form alliances with other International and State organizations pool our resources provide opportunities for our CUTA Members.

California State Championship

MAJOR CHANGES

WORLD CLASS VS. GRASSROOTS DIVISIONS

1. State Associations will have a World Class and Grassroots divisions for CADET SPARRING black belts only.
 - a. To qualify for a World Class at the National Championships, an athlete must participate** at a State Championship in that World Class division they wish to compete in.
 - b. Winner of the cadet Grassroots divisions will no longer qualify for the World Class division because Grassroots division will use Junior Safety Rules and World Class divisions will use Full Head Contact Rules (see competition rules for full explanation of these rules)
 - c. Once qualified for a World Class division, an athlete is no longer eligible for Grassroots divisions.
2. *Cadet Poomsae; Junior Sparring and Poomsae; Senior Sparring and Poomsae black belts will have World Class Divisions ONLY (no Grassroots divisions).* Those athletes that participate** at a USA Taekwondo State Championships in these black belt divisions will qualify for the World Class Divisions at Nationals.

POOMSAE

1. *“Old Rules” (USAT Poomsae and Demonstration Team Competition Rules, October 15, 2016) will be applied at the 2019 California State Championship.*
2. *Cadet Poomsae; Junior Sparring and Poomsae; Senior Sparring and Poomsae black belts will have World Class Divisions ONLY (no Grassroots divisions).* Those athletes that participate** at a USA Taekwondo State Championships in these black belt divisions will qualify for the World Class Divisions at Nationals.

COLOR BELTS

1. All color belt athletes will be able to compete in a State Championship and National Championships at the current belt in which they hold. For example, an athlete competed at a State Championship as a green belt but has since tested and received their blue belt. This athlete may now compete at the USA Taekwondo National Championships as a blue belt.
2. EXCEPTION: If an athlete competed at a State Championship as a red belt and has since been promoted to black belt, the athlete MAY NOT compete in any black belt divisions.

PROOF OF BLACK BELT REQUIREMENT

Continuing from 2017, if an athlete doesn't have a black belt certification uploaded to their profile or provide a copy of certification at the time of registration, the State Association will be able to utilize the black belt verification form (see attachment C) The form will include contact information so that USA Taekwondo can track that each person provides a copy of their black belt certification by the National Championships. If a copy is not provided at the National Championships then the athlete's coach and/or instructor will be required to apply for a USA Taekwondo Dan black belt certificate at the time of registration. For more information on the USA Taekwondo Dan certification program follow this link:

<http://www.teamusa.org/USA-Taekwondo/Resources/Dan-Certification-Program>

****Participate** means athletes must have officially weighed-in at the event scales (sparrings) and/or participated on the competition mats in front of the event referees (poomsae) and received a place within the division.**
